

Cattaneo C. & Grano M.: Checklist updating and analysis of the flora of Sifnos Island and Kitriani Islet (Kiklades, Greece) with new noteworthy floristic records. — *Fl. Medit.* 34: 95-111. 2024. — ISSN: 1120-4052 printed, 2240-4538 online.

Electronic Supplementary File 1. <https://doi.org/10.7320/FIMedit34.095.1>

Version of Record published online on 2 May 2024

Updated inventory of the flora of Sifnos

Abbreviations and symbols used according to Dimopoulos & al. (2018):

Life forms:

P = Phanerophyte

C = Chamaephyte

H = Hemicryptophyte

G = Geophyte

T = Therophyte

A = Aquatic (Hydrophyte)

Chorological groups:

Widely distributed taxa:

Eu = European

EA = European-SW Asian

ES = Euro-Siberian

SW-Eur = South West European

Pt = Paleotemperate

Ct = Circumtemperate

IT = Irano-Turanian

ST = Subtropical-Tropical

Co = Cosmopolitan

Mediterranean taxa:

EM = Eastern Mediterranean

Me = Mediterranean

MA = Mediterranean-Atlantic

ME = Mediterranean-European

MS = Mediterranean-SW Asian

W-Med = West Mediterranean

Balkan taxa:

BI = Balkan-Italian

BA = Balkan-Anatolian

Endemic taxa:

Endemic

Alien taxa:

Am. = American

N-Am. = North American

S-Am. = South American

S-Afr. = South African
Neotrop. = Neotropical
SW-As. = South West Asian

Record information:

Sf = Sifnos Island
Kt = Kitriani Islet
AC = Augusto Cattaneo
AS = Arne Strid's Atlas
BT = Biel & Tan
C = observed and / or collected by the authors
C* = first observation
CB = Chaubard & Bory
EB = Erben & Brullo
H = Hansen
HD = Heldreich
HL = Halácsy
MK = Malakates
R = Runemark
RB = Runemark & Bentzer
RSN = Runemark, Snogerup & Nordestam
SA = Sartori
(!) = names placed between parentheses refer to Malakates records not confirmed.
[..] = names placed between brackets refer to designate cultivated plants recorded by Malakates

CHECKLIST

Aspleniaceae

Asplenium ceterach L. - H - EA; Sf: MK as *Ceterach officinarum* Willd., AS, C.

Equisetaceae

Equisetum ramosissimum Desf. - G - Ct; Sf: MK, AS, C.

Pteridaceae

Adiantum capillus-veneris L. - G - ST; Sf: MK, AS, C.

Allosorus acrosticus (Balb.) Christenh. - G - Me; Sf: AS as *Cheilanthes acrostica* (Balb.) Tod., C.

Allosorus pteridioides (Reichard) Christenh. - G - MS; Sf: AS as *Cheilanthes maderensis* Lowe, C.

Anogramma leptophylla (L.) Link - T - Co; Sf: AS, C.

Cosentinia vellea (Aiton) Tod. - G - MS; Sf: AS.

Selaginellaceae

Selaginella denticulata (L.) Spring. - H - Me; Sf: AS.

Cupressaceae

Juniperus turbinata Guss. - P - MA; Sf: MK as *Juniperus phoenicea* L., AC, AS, C; Kt: AS, C.

Ephedraceae

Ephedra foeminea Forssk. - P - Me; Sf: HD, HL, MK as *Ephedra campylopoda* C.A. Mey., AS, C.

Pinaceae

Pinus brutia Ten. - P - Me; Sf: AS as *Pinus halepensis* subsp. *brutia* (Ten.) Holmboe, C.

Acanthaceae

Acanthus spinosus L. - H - Me; Sf: MK, AS, C.

Aizoaceae

Aptenia cordifolia (L. f.) Schwantes - C - S-Afr.; Sf: AS, C.

Carpobrotus edulis (L.) N.E. Br. - C - S-Afr.; Sf: AS, C.

Malephora purpureocrocea (Haw.) Schwantes - P - S-Afr.; Sf: C*.

Mesembryanthemum crystallinum - T - Me; Sf: AS.

Mesembryanthemum nodiflorum L. - T - Me; Sf: MK, AS, C.

Amaranthaceae

Amaranthus albus L. -T - N-Am.; Sf: AS.

Amaranthus blitoides S. Watson - T - N-Am.; Sf: BT, C.

[*Amaranthus blitum* Jacq.]

Amaranthus deflexus L. - H - S-Am.; Sf: AS.

Amaranthus graecizans L. - T - MS; Sf: BT.

Amaranthus retroflexus L. - T - N-Am.; Sf: AS, C.

Amaranthus viridis L. - T - S-Am.; Sf: BT.

Amaryllidaceae

Allium ampeloprasum L. - G - Me; Sf: AS.

Allium apolloniensis Biel & al. - G - Endemic; Sf: AS, C.

Allium bourgeaui subsp. *cycladicum* Bothmer - G - EM; Sf: AS, C.

Allium neapolitanum Cirillo - G - Me; Sf: MK, AS.

Allium roseum L. - G - Me; Sf: AS, C.

Allium staticiforme Sm. - G - EM; Kt: C*.

The discovery of *Allium staticiforme* on Kitriani Islet is not surprising as it is mainly distributed in the Central Aegean islands. It has been found in rocky ravines of sea cliffs.

Allium subhirsutum L. - G - Me; Sf: AS.

Allium tzanoudakisianum Brullo, Pavone & Salmeri - G - Endemic; Sf: AS, C; Kt: C*.

Taxon observed on the southern side of Kitriani Islet.

Galanthus ikariae Baker - G - Endemic; Sf: C*.

Narcissus tazetta L. - G - MS; Sf: AS.

Pancratium maritimum L. - G - Me; Sf: AS, C.

Sternbergia lutea subsp. *lutea* (L.) Spreng. - G - MS; Sf: AS.

Anacardiaceae

(*Cotinus coggygria* Scop. reported by Malakates as *Rhus cotinus* L.)

Pistacia lentiscus L. - P - Me; Sf: MK, AS, C; Kt: AS, C.

Pistacia terebinthus L. subsp. *terebinthus* - P - Me; Sf: RSN, MK, AC, AS, C.

[*Pistacia vera* L.]

Apiaceae

(*Ammi visnaga* (L.) Lam. reported by Malakates as *Ammi visnaga* L.)

[*Apium graveolens* L.]

Bifora testiculata (L.) Spreng. - T - MS; Sf: AS.

Bupleurum gracile d'Urv - T - Me; Sf: AS; Kt: RB, AS, C.

Bupleurum semicompositum L. - T - MS; Sf: AS.

Bupleurum trichopodium Boiss. & Spruner - T - Me; Sf: MK, AS.
Cachrys cristata DC. - H - Me; Sf: AS, C.
Crithmum maritimum L. - C - ME; Sf: MK, AS, C.
Daucus carota subsp. *major* (Vis.) Arcang. - T - ME; Sf: MK as *Daucus carota* L., AS, C.
Daucus carota subsp. *maximus* (Desf.) Ball - T - Me; Sf: MK as *Daucus maximus* Desf., AS.
Daucus guttatus Sm. - T - Me; Sf: AS.
Daucus involucratus Sm. - T - EM; Sf: AS, C; Kt: RB, AS.
Eryngium campestre L. - H - EA; Sf: AS, C.
Eryngium maritimum L. - G - ME; Sf: AS, C.
Ferula communis subsp. *glauca* (L.) Rouy & E.G. Camus - H - Me; Sf: MK as *Ferula communis* L., AC, AS, C.
Ferulago humilis Boiss. - H - EM; Sf: AS.
(*Ferulago nodosa* (L.) Boiss. reported by Malakates as *Ferulago nodosa* L.)
Foeniculum vulgare Mill. - H - Me; Sf: MK as *Foeniculum capillaceum* Gilib., AC, AS, C.
Hellenocarum multiflorum (Sm.) H. Wolff - G - Me; Sf: C*.
Helosciadium nodiflorum (L.) W.D.J. Koch - H - MA; Sf: AS.
Lagoecia cuminooides L. - T - ME; Sf: MK, AS, C.
Opopanax hispidus (Friv.) Griseb. - H - MS; Sf: MK as *Opopanax hispidus* Griseb., AS.
Orlaya daucooides (L.) Greuter - T - MS; Sf: AS.
[*Petroselinum sativum* L.]
[*Pimpinella anisum* L.]
Pimpinella cretica Poir. - T - EM; Sf: MK, AS.
Pimpinella peregrina L. - H - EA; Sf: MK, AS.
Pseudorlaya pumila (L.) Grande - H - Me; Sf: MK as *Orlaya pumila* L., AS, C.
Scaligeria napiformis (Spreng.) Grande - H - EM; Sf: AS, C.
Scandix australis L. subsp. *australis* - T - ME; Sf: AS, C; Kt: RB, AS.
Scandix pecten-veneris L. - T - EA; Sf: MK, AS, C.
Smyrniium creticum Mill. - H - EM; Sf: AS.
Smyrniium olusatrum L. - H - MA; Sf: AC, AS, C.
Thapsia garganica L. - T - Me; Sf: MK, AS.
Tordylium apulum L. - T - Me; Sf: MK, AS, C.
Torilis leptophylla (L.) Rchb. f. - T - EA; Sf: AS.
Torilis nodosa (L.) Gaertn. - T - EA; Sf: MK as *Torilis nodosa* Gaertn., AS, C.

Apocynaceae

Nerium oleander L. - P - Me; Sf: MK, AC, AS, C.

Araceae

Arisarum vulgare O. Targ. Tozz. - G - Me; Sf: MK as *Arisarum vulgare* Targ., AS, C.

Dracunculus vulgaris Schott - G - Me; Sf: MK, AC, AS, C.

Arecaceae

Hedera helix L. - P - ME; Sf: AS, C.

Asclepiadaceae

Cynanchum acutum L. - P - ST; Sf: MK, C.

Asparagaceae

Asparagus acutifolius L. - C - Me; Sf: AS, C.

Asparagus aphyllus L. - C - EM; Sf: MK, AS.

Asparagus horridus L. - C - Me; Sf: AS.

Asphodelaceae

Asphodelus fistulosus L. - G - Me; Sf: AS, C.

Asphodelus ramosus L. - G - Me; Sf: MK as *Asphodelus microcarpus* Viv., AS, C.

(*Asphodelus tenuifolius* Cav.)

Asteraceae

Achillea maritima (L.) Ehrend. & Y.P. Guo - H - MA; Sf: AS as *Otanthus maritimus* (L.) Hoffmanns. & Link.

Aetheorhiza bulbosa (L.) Cass. - G - Me; Sf: MK as *Crepis bulbosa* L., AS, C; Kt: RB, AS.

Anthemis auriculata Boiss. - H - EM; Sf: AS, C.

Anthemis chia L. - T - Me; Sf: MK, AS, C.

Anthemis rigida Heldr. subsp. *rigida* - H - EM; Sf: MK as *Anthemis cretica* (L.) Nym., AS, C.

Anthemis scopulorum Rech. f. - T - Endemic; Sf: AS.

Anthemis tomentosa L. - T - EM; Sf: AS.

Anthemis wernerii Stoj. & Acht. - T - Endemic; Sf: AS.

Artemisia arborescens (Vaill.) L. - C - Me; Sf: AS, C.

Asteriscus aquaticus (L.) Less. - T - ME; Sf: AS, C.

Atractylis cancellata L. - T - Me; Sf: AS, C.

Bellis sylvestris Cirillo - H - Me; Sf: AS.

Bellium minutum (L.) L. - T - Me; Sf: AS; Kt: RB, AS.

Calendula arvensis (Vaill.) L. - T - ME; Sf: MK as *Calendula aegyptiaca* Desf. and *Calendula arvensis* L. var. *bicolor*, AS, C.

Carduus pycnocephalus L. - T - ME; Sf: MK, AS, C.

Carlina corymbosa subsp. *graeca* (Heldr. & Sartori) Nyman - H - BA; Sf: AS, C.

Carlina gummifera (L.) Less. - H - Me; Sf: MK as *Carlina gummifera* L., AS, C.

Carthamus lanatus subsp. *baeticus* (Boiss. & Reut.) Nyman L. - T - Me; Sf: HL as *Carthamus creticus* L., AS.

Carthamus leucocaulos Sm. - T - Endemic; Sf: HD, AS.

Centaurea laconica subsp. *lineariloba* (Halácsy & Dörfl.) E. Gamal-Eldin & Wagenitz - H - Endemic; Sf: AS; Kt: AS.

Centaurea raphanina subsp. *mixta* (DC.) Runemark - H - Endemic; Sf: MK as *Centaurea mixta* DC., AS, C; Kt: RB, AS.

Centaurea solstitialis L. - H - Me; Sf: AS, C.

Centaurea spinosa L. - C - EM; Sf: HL as *Centaurea spinosa* f. *glabrata* Heldr, HD as *Centaurea spinosa* subsp. *cycladum* (Heldr.) Hayek, MK, AS, C.

Centaurea spruneri Boiss. & Heldr. - H - BA; Sf: AS as *Centaurea spruneri* subsp. *guicciardii* Boiss. & Heldr.

Chondrilla juncea L. - H - ME; Sf: MK, AS, C.

Cichorium intybus L. - H - EA; Sf: AS, C.

Cichorium spinosum L. - C - Me; Sf: AS, C.

Crepis commutata (Spreng.) Greuter - H - EM; Sf: MK as *Rodigia commutata* Spreng., AS as *Crepis foetida* subsp. *commutata* (Spreng.) Babç.

Crepis foetida L. subsp. *foetida* - T - ME; Sf: AS, C.

Crepis frassii Sch. Bip. - H - EM; Sf: AS.

Crepis multiflora Sm. - T - EM; Sf: MK, AS, C.

Crepis neglecta subsp. *graeca* (Vierh.) Rech. f. - T - Endemic; Sf: AS, C; Kt: RB, AS.

Crepis vesicaria L. - H - Me; Sf: AS.

Crupina crupinastrum (Moris) Vis. - T - EA; Sf: MK as *Crupina crupinastrum* Moris, AS, C.

Dittrichia graveolens (L.) Greuter - T - Me; Sf: MK, AC, AS as *Inula graveolens* L., C.

Dittrichia viscosa (L.) Greuter - H - Me; Sf: MK, AS as *Inula viscosa* Aiton, C.

Echinops graecus Mill. - H - Endemic; Sf: AS.

Echinops spinosissimus Turra subsp. *spinosissimus* - H - Me; Sf: SA as *Echinops viscosus* subsp. *glandulosus* (E. Weiss) Rech. f., MK as *Echinops viscosus* DC., AS, C.

Erigeron bonariensis L. - H - Neotrop.; Sf: C*.
Taxon observed in Aghia Marina and Apollonia.

Erigeron karvinskianus DC. - H - S-Am; Sf: C*.
Taxon observed in Kato Petali.

Erigeron sumatrensis Retz. - H - Neotrop.; Sf: C*.
Taxon observed in Artemonas.

Filago aegaea subsp. *aristata* Wagenitz - T - EM; Sf: AS, C; Kt: RB, AS.

Filago contracta (Boiss.) Chrték & Holub - T - EM; Sf: AS, C.

Filago cretensis Gand. subsp. *cretensis* - T - Endemic; Sf: AS, C.

Filago cretensis subsp. *cycladum* Wagenitz - T - Endemic; Sf: AS.

Filago eriocephala Guss. - T - Me; Sf: BT.

Filago gallica L. - T - MA; Sf: AS, C; Kt: RB, AS.

Filago pygmaea L. - T - Me; Sf: AS, C.

Filago pyramidata L. - T - Me; Sf: MK as *Filago spathulata* Presl. and *Filago spathulata* Presl. var. *typica*, AS.

Galactites tomentosus Moench - T - Me; Sf: AS.

Geropogon hybridus (L.) Sch. Bip. - T - Me; Sf: AS.

Glebionis coronaria (L.) Spach - T - Me; Sf: MK as *Chrysanthemum coronarium* L., AS, C.

Glebionis segetum (L.) Fourr. - T - Me; Sf: MK as *Chrysanthemum segetum* L., AS.

Hedypnois rhagadioloides (L.) F. W. Schmidt - T - Me; Sf: MK as *Hedypnois cretensis* Willd., AS, C.

Helichrysum italicum (Roth) G. Don - C - Me; Sf: HL as *Helichrysum microphyllum* Willd., MK as *Helichrysum italicum* Both. var. *microphyllum* Both., AS.

Helichrysum stoechas subsp. *barrelieri* (Ten.) Nyman - C - Me; Sf: MK as *Helichrysum siculum* Boiss., AS, C.

(*Helminthotheca echioides* (L.) Holub reported by Malakates as *Helminthia echioides* Gaertn.)

Hymenonema graecum (L.) DC. - H - Endemic; Sf: HL, SA, MK as *Hymenonema graecum* DC., AS, C.

Hyoseris scabra L. - T - Me; Sf: AS, C.

(*Hyoseris radiata* L., AC.)

Hypochaeris achyrophorus L. - T - Me; Sf: MK as *Seriola aethnensis* L., AS, C; Kt: RB, AS.
Hypochaeris cretensis (L.) Bory & Chaub. - H - Me; Sf: MK as *Hypochaeris cretensis* Chaub. & Bory, AS.
Hypochaeris glabra L. - T - Me; Sf: AS.
Hypochaeris radicata L. - H - EA; Sf: AS.
Lactuca acanthifolia (Willd.) Boiss. - C - EM; Sf: AS, C.
Lactuca saligna L. - T - Pt; Sf: AS.
Lactuca serriola L. - T - Pt; Sf: MK as *Lactuca scariola* L., C.
Lactuca tuberosa Jacq. - H - EA; Sf: AS.
Leontodon tuberosus L. - H - Me; Sf: MK as *Thrinchia tuberosa* DC., AS, C; Kt: RB, AS.
Matricaria recutita L. - T - Co; Sf: MK, AS both as *Matricaria chamomilla* L., C.
Notobasis syriaca (L.) Cass. - T - Me; Sf: MK, AC, AS.
Onopordum caulescens d'Urv. - H - Me; Sf: AS.
Onopordum tauricum Willd. - H - ME; Sf: AS.
Pallenis spinosa (L.) Cass. - H - Me; Sf: MK as *Pallenis spinosa* L., AS, C.
Phagnalon rupestre subsp. *graecum* (Boiss. & Heldr.) Batt. - C - Me; Sf: MK as *Phagnalon graecum* Bois. & Heldr., AS, C.
Picnomon acarna (L.) Cass. - T - Pt; Sf: AS, C.
Picris pauciflora Willd. - T - EA; Sf: AS.
Podospermum canum C.A. Mey. - H - EA; Sf: AS as *Scorzonera cana* (C.A. Mey.) Griseb., C.
(*Pulicaria dysenterica* (L.) Bernh. reported by Malakates as *Pulicaria dysenterica* L.)
Reichardia picroides (L.) Roth - H - Me; Sf: MK as *Picridium picroides* Hall., AS, C.
Rhagadiolus stellatus (L.) Gaertn. - T - Me; Sf: MK, AS.
Scolymus hispanicus L. - H - ME; Sf: AS, C.
Scorzonera araneosa Sm. - H - Endemic; Sf: AS, C.
(*Scorzonera crocifolia* Sm. reported by Malakates as *Scorzonera crocifolia* S. & S.)
Scorzonera cretica Willd. - H - Endemic; Sf: BT.
Scorzonera mollis M. Bieb. subsp. *mollis* - H - EA; Sf: AS, C.
Senecio leucanthemifolius Poir. - T - Me; Sf: MK as *Senecio coronopifolius* Desf., AS, C; Kt: RB, AS.
Senecio vulgaris L. - T - Pt; Sf: MK, AS; Kt: RB, AS.
Silybum marianum (L.) Gaertn. - T - Me; Sf: AS.
Sonchus asper (L.) Hill subsp. *asper* - T - Pt; Sf: AS, C.
Sonchus asper subsp. *glaucescens* (Jord.) Ball - T - Pt; Sf: MK as *Sonchus nymanii* Tineo & Guss., AS, C.
Sonchus oleraceus L. - T - ME; Sf: MK, AS, C.
Sonchus tenerrimus L. - T - Me; Sf: AS.
Taraxacum hellenicum Dahlst. - H - Me; Sf: BT, C.
Taraxacum minimum (Guss.) N. Terracc. - H - Me; Sf: BT, C.
Tolpis umbellata Bertol. - T - Me; Sf: MK, AS, C.
Tragopogon dubius Scop. - T - EA; Sf: AS.
Tragopogon porrifolius L. - H - Me; Sf: MK, AS, C.
Tyrimnus leucographus (L.) Cass. - T - Me; Sf: AS.

Urospermum picroides (L.) F.W. Schmidt - T - Me; Sf: MK as *Urospermum picroides* Desf., AS, C; Kt: RB, AS.

Boraginaceae

Anchusa aegyptiaca (L.) A. DC. - T - EM; Sf: AS.

Anchusa azurea Mill. - H - Me; Sf: MK as *Anchusa italica* Retz., AS.

Anchusa undulata subsp. *hybrida* (Ten.) Bég. - H - Me; Sf: MK as *Anchusa hybrida* Ten, AS, C.

Anchusella variegata (L.) Bigazzi & al. - T - Endemic; Sf: AS, C.

Buglossoides arvensis (L.) I.M. Johnst. subsp. *arvensis* - T - Me; Sf: AS, C.

Cerinth major L. - T - MS; Sf: MK, AS, C.

Cynoglossum columnae Ten. - T - Me; Sf: AS, C.

(*Echium angustifolium* Mill. reported by Malakates as *Echium elegans* Lehm. and *Echium diffusum* S. & S.)

Echium arenarium Guss. - H - Me; Sf: AS.

Echium parviflorum Moench - T - Me; Sf: AS, C.

Echium plantagineum L. - T - ME; Sf: HL, MK, AS, C.

Heliotropium dolosum De Not. - T - EA; Sf: HD, MK, AS.

Heliotropium europaeum L. - T - ME; Sf: AS, C.

Heliotropium hirsutissimum Grauer - T - EM; Sf: AS.

Myosotis incrassata Guss. - T - ME; Sf: AS, C.

Myosotis ramosissima Rochel - T - EA; Sf: AS.

Neotostema apulum (L.) I.M. Johnst. - T - Me; Sf: AS, C; Kt: RB, AS.

Onosma graeca Boiss. - H - EM; Sf: AS.

Symphytum creticum (Willd.) Greuter & Rech. f. - H - Endemic; Sf: AS, C; Kt: RB, AS.

Brassicaceae

Alyssum simplex Rudolphi - T - ES; Sf: AS.

Arabidopsis thaliana (L.) Heynh. - T - Pt; Sf: AS.

Arabis verna (L.) R. Br. - T - Me; Sf: MK, AS, C.

Biscutella didyma L. - T - Me; Sf: MK as *Biscutella didyma* var. *apula* L., *Biscutella didyma* L. v. *ciliata* DC. and *Biscutella didyma* var. *leiocarpa* DC., AS, C; Kt: RB, AS.

Brassica cretica subsp. *aegaea* (Heldr. & Halácsy) Snogerup & al. - C - EM; Sf: AS, C.

Brassica tournefortii Gouan - T - Me; Sf: AS.

Bunias erucago L. - T - Me; Sf: AS.

Cakile maritima Scop. - T - ME; Sf: AS, C.

Capsella bursa-pastoris (L.) Medik. - T - Co; Sf: MK as *Capsella bursa pastoris* (L.) Mönch. var. *gracilis* Gren., AS, C.

Cardamine hirsuta L. - T - Co; Sf: AS.

Clypeola jonthlaspi L. subsp. *jonthlaspi* - T - MS; Sf: AS.

Draba macrocarpa Boiss. & Heldr. - T - EM; Sf: AS as *Erophila macrocarpa* (Boiss. & Heldr.) Boiss.

Draba praecox Steven - T - EA; Sf: AS as *Erophila praecox* (Steven) DC., C.

Draba verna L. - T - EA; Sf: AS as *Erophila verna* (L.) Chevall.

Diplotaxis viminea (L.) DC. - T - Me; Sf: C*.

Eruca vesicaria (L.) Cav. - T - MS; Sf: MK as *Eruca sativa* Lam., AS.

Erucaria hispanica (L.) Druce - T - MS; Sf: MK as *Erucaria myagroides* L., HL, AS.
Erysimum hayekii (Jáv. & Rech. f.) Polatschek - H - Endemic; Sf: AS.
Erysimum senoneri (Reut.) Wettst. subsp. *senoneri* - C - Endemic; Sf: AS.
Hirschfeldia incana (L.) Lagr.-Foss. - T - EA; Sf: AS.
Lepidium draba L. - H - Co; Sf: AS as *Cardaria draba* (L.) Desv.
Lobularia maritima (L.) Desv. - H - Me; Sf: AS.
Malcolmia chia (L.) DC. - T - EM; Sf: AS, C.
Malcolmia flexuosa subsp. *naxensis* (Rech. f.) Stork - T - EM; Sf: HL, MK as *Wilckia flexuosa* S. & Sm., AS, C; Kt: RB, AS.
Matthiola incana (L.) R. Br. - H - ME; Sf: AS.
Matthiola sinuata (Vis.) Vierh. - H - ME; Sf: AS, C.
Matthiola tricuspidata (L.) R. Br. - T - Me; Sf: AS.
Microthlaspi perfoliatum (L.) F.K. Mey. - T - Pt; Sf: AS as *Noccaea perfoliata* (L.) Al-Shehbaz.
Nasturtium officinale R. Br. - H - Co; Sf: MK as *Nasturtium fontanum* Lam., AS, C.
Raphanus raphanistrum L. subsp. *raphanistrum* - T - EA; Sf: MK, AS.
Rapistrum rugosum (L.) All. - T - EA; Sf: AS.
Sinapis alba L. - T - EA; Sf: AS, C.
Sinapis arvensis L. - T - ES; Sf: MK, AS.
Sisymbrium officinale (L.) Scop. - T - ES; Sf: MK as *Sisymbrium officinale* Scop., AS.
Sisymbrium orientale L. - T - EA; Sf: AS, C.
Sisymbrium polyceratium L. - T - Me; Sf: MK, AS.

Cactaceae

Opuntia ficus-indica (L.) Mill. - P - Neotrop.; Sf: MK as *Opuntia ficus-indica* Mill, AC, AS, C.

Caesalpiaceae

Ceratonia siliqua L. - P - Me; Sf: MK, AS, C.

Cercis siliquastrum L. - P - MS; Sf: AS, C.

Callitrichaceae

Callitriche brutia Petagna - A - ME; Sf: AS.

Campanulaceae

Campanula celsii A. DC. - H - Endemic; Sf: AS, C

Campanula erinus L. - T - ME; Sf: AS, C.

Campanula heterophylla L. - H - Endemic; Sf: C*.

Campanula laciniata L. - H - Endemic; Sf: AS.

Capparaceae

Capparis spinosa L. - C - Me; Sf: MK as *Capparis rupestris* S. & Sm. and *Capparis spinosa* var. *rupestris* Boiss., AS as *Capparis spinosa* subsp. *rupestris* (Sm.) Nyman, C.

Caprifoliaceae

Lonicera etrusca Santi - P - Me; Sf: MK as *Lonicera etrusca* var. *roeseri* Heldr., AS, C.

Caryophyllaceae

Arenaria aegaea Rech. f. - T - Endemic; Kt: RB, AS.

Arenaria leptoclados (Rechb.) Guss. - T - EA; Sf: AS, C; Kt: RB, AS.

Arenaria muralis (Link) Spreng. - T - EM; Sf: RSN as *Arenaria muralis* (Lk.) Sieb., AS, C.

Cerastium comatum Desv. - T - EM; Sf: AS, C.

Cerastium glomeratum Thuill. - T - Co; Sf: MK as *Cerastium viscosum* L., AS, C.
 (*Cerastium illyricum* Ard.)
Dianthus fruticosus L. subsp. *fruticosus* - C - Endemic; Sf: AS, C.
Dianthus quadridentatus (Sm.) Fassou, N.Korotkova, Dimop. & Borsch - T - EM; Sf: AS as *Velezia quadridentata* Sm.
Dianthus tripunctatus Sm. - T - Me; Sf: BT.
Herniaria hirsuta L. - T - Pt; Sf: AS, C.
Minuartia hybrida (Vill.) Schischk. - T - EA; Sf: AS.
Minuartia mediterranea (Link) K. Malý - T - Me; Sf: AS.
Paronychia echinulata Chater - T - Me; Sf: AS.
Paronychia macrosepala Boiss. - H - EM; Sf: MK, AS, C; Kt: C*.
Petrorhagia dubia (Raf.) G. López & Romo - T - Me; Sf: MK as *Tunica velutina* Guss., AS, C.
Polycarpon tetraphyllum (L.) L. - T - MS; Sf: MK as *Polycarpon tetraphyllum* L. var. *floribundum* Willk., AS, C.

Sagina maritima Don - T - MA; Sf: AS; Kt: RB, AS.
Silene behen L. - T - Me; Sf: AS.
Silene colorata Poir. - T - Me; Sf: MK, AS, C.
Silene cretica L. - T - Me; Sf: AS, C.
 (*Silene corinthiaca* Boiss. & Heldr. reported by Malaktes as *Silene rigidula* S. Sm.)
Silene gallica L. - T - ME; Sf: AS, C.
Silene nocturna L. - T - Me; Sf: MK, AS.
Silene sartorii Boiss. & Heldr. - T - Endemic; Sf: AS.
Silene sedoides Poir. - T - Me; Sf: AS, C; Kt: RB, AS.
Silene vulgaris subsp. *macrocarpa* Turrill - H - Me; Sf: MK as *Silene venosa* Gilib., AS, C.
Spergularia bocconei (Scheele) Graebn. - T - MA; Sf: AS.
Spergularia marina (L.) Griseb. - T - Pt; Sf: MK as *Spergularia salina* Presl., AS.
Stellaria pallida (Dumort.) Piré - T - EA; Sf: AS as *Stellaria apetala* Ucria.
Stellaria cupaniana (Jord. & Fourr.) Bég. - T - Me; Sf: AS.
Stellaria media (L.) Vill. - T - Co; Sf: AS.

Chenopodiaceae

Atriplex halimus L. - P - MS; Sf: MK, AS, C.
Atriplex prostrata DC. - C - ES; Sf: AS.
Beta vulgaris subsp. *adanensis* Pamuk - T - EM; Sf: AS.
Beta vulgaris subsp. *maritima* (L.) Arcang. - T - EA; Sf: MK as *Beta perennis* L., AS.
Chenopodium murale (L.) S. Fuentes & al. - T - EA; Sf: MK as *Chenopodium murale* L., AS.
Chenopodium album L. - T - Co; Sf: AS, C.
Chenopodium opulifolium W.D.J. Koch & Ziz - T - EA; Sf: AS, C.
Dysphania ambrosioides (L.) Mosyakin & Clemants - T - Neotrop.; Sf: C*.
Salsola squarrosa Steven ex Moq. - T - ME; Sf: MK, AS both as *Salsola kali* L.
 (*Caroxylon aegaeum* (Rech. f.) Akhani & Roalson reported by Halácsy as *Salsola vermiculata* L. and by Chaubard & Bory as *Salsola brevifolia* Desf.)

Cistaceae

Cistus creticus L. subsp. *creticus* - C - Me; Sf: MK as *Cistus creticus* L. var. *typicus*, AS, C; Kt: RB, AS, C.

Cistus salviifolius L. - C - Me; Sf: AS; Kt: RB, AS.

Fumana arabica (L.) Spach - C - Me; Sf: AS; Kt: RB, AS.

Fumana thymifolia (L.) Webb - C - Me; Sf: MK as *Fumana thymifolia* Burn., AS, C.

Helianthemum salicifolium (L.) Mill. - T - EA; Sf: AS, C.

Tuberaria guttata (L.) Fourr. - T - MA; Sf: AS, C; Kt: RB, AS.

Colchicaceae

Colchicum cupanii Guss. - G - Me; Kt: R, AS.

Colchicum variegatum L. - G - EM; Sf: HL, CB, MK, AS.

Convolvulaceae

Convolvulus althaeoides L. - H - Me; Sf: MK, AC, AS, C.

Convolvulus arvensis L. - H - Co; Sf: AS, C.

Convolvulus dorycnium L. - P - Me; Sf: AS.

Convolvulus elegantissimus Mill. - H - Me; Sf: MK as *Convolvulus tenuissimus* Sm., AS, C.

Convolvulus oleifolius Desr. - C - Me; Sf: AS, C.

Convolvulus pentapetaloides L. - T - Me; Sf: AS, C.

Convolvulus siculus L. - T - Me; Sf: MK, AS, C; Kt: RB, AS.

Cuscuta epithymum (L.) L. - T - EA; Sf: AS.

Cuscuta palaestina Boiss. - T - Me; Sf: AS.

Crassulaceae

Crassula tillaea Lest.-Garl. - T - MA; Sf: AS.

Phedimus stellatus (L.) Raf. - T - Me; Sf: AS.

Sedum hispanicum L. - H - EA; Sf: AS.

Sedum litoreum Guss. - T - Me; Sf: MK, AS.

(*Sedum pallidum* M. Bieb. Name or taxon excluded erroneously given from Greece due to misidentified material of *S. eriocarpum* Sm. (Strid & Tan 2002: 326)).

Sedum rubens L. - T - MA; Sf: MK, AS.

Sedum sediforme (Jacq.) Pau - C - Me; Sf: MK as *Sedum altissimum* Poir., AS, C.

Umbilicus horizontalis (Guss.) DC. - G - Me; Sf: MK as *Cotyledon horizontalis* Guss., AS, C.

Umbilicus rupestris (Salisb.) Dandy - G - MA; Sf: HL, MK as *Cotyledon tuberosa* L., AS, C.

Cucurbitaceae

Bryonia cretica L. - H - EM; Sf: MK, AS, C.

(*Bryonia dioica* Jacq.)

[*Citrullus vulgaris* Schard.]

[*Cucumis melo* L.]

[*Cucumis sativus* L.]

[*Cucurbita maxima* L.]

[*Cucurbita pepo* L.]

Ecballium elaterium (L.) A. Rich. - G - MS; Sf: MK, AS, C.

Cyperaceae

Carex distachya Desf - H - Me; Sf: AS.

Carex distans L. - H - Eu; Sf: AS.

Carex extensa Gooden. - H - MA; Sf: AS.
Carex flacca subsp. *serrulata* (Spreng.) Greuter - G - MS; Sf: AS.
Carex halleriana Asso - H - EA; Sf: AS.
Cyperus capitatus Vand. - G - Me; Sf: AS.
Cyperus distachyos All. - G - Me; Sf: AS.
(*Cyperus rotundus* L.)
Cyperus fuscus L. - T - EA; Sf: BT.
Eleocharis palustris (L.) Roem. & Schult. - G - Co; Sf: AS.
Isolepis cernua (Vahl) Roem. & Schult. - T - Co; Sf: BT.
Schoenoplectus litoralis (Schrad.) Palla - G - Co; Sf: AS.
Schoenoplectus tabernaemontani (C.C. Gmel.) Palla - G - Pt; Sf: AS.
Schoenus nigricans L. - H - Co; Sf: AS.

Dioscoreaceae

Dioscorea communis (L.) Caddick & Wilkin - H - ME; Sf: MK as *Tamus communis* L., AS.

Dipsacaceae

Cephalaria squamiflora (Sieber) Greuter - C - Me; Sf: RSN as *Cephalaria sieberi* Szabó, AS, C.
Knautia integrifolia (L.) Bertol. - T - Me; Sf: MK as *Knautia integrifolia* Bertol., AS.
Lomelosia brachiata (Sm.) Greuter & Burdet - T - EM; Sf: AS.
Lomelosia divaricata (Jacq.) Greuter & Burdet - T - Me; Sf: AS.
Pterocephalus plumosus (L.) DC. - T - MS; Sf: AS.

Ericaceae

(*Erica arborea* L.)
Erica manipuliflora Salisb. - C - Me; Sf: AS, C; Kt: C*.

Euphorbiaceae

Chrozophora tinctoria (L.) A. Juss. - T - MS; Sf: MK as *Chrozophora tinctoria* Juss., C.
Euphorbia acanthothamnos Heldr. & Sart. ex Boiss. - C - EM; Sf: MK, AS, C.
Euphorbia chamaesyce L. - T - ME; Sf: MK, C.
Euphorbia characias L. - H - Me; Sf: AC, AS, C.
Euphorbia dendroides L. - P - Me; Sf: HL, CB, MK, AS, C.
Euphorbia exigua L. - T - ME; Sf: AS, C; Kt: RB, AS.
Euphorbia helioscopia L. - T - Co; Sf: MK, AS, C.
Euphorbia paralias L. - H - ME; Sf: AS.
Euphorbia peplis L. - T - ME; Sf: AS.
Euphorbia peplus L. - T - Co; Sf: MK as *Euphorbia peploides* Gouan, AS.
Euphorbia serpens Kunth - T - N-Am; Sf: C*.

Taxon observed in Pano Petali.

Mercurialis annua L. - T - Pt; Sf: MK, AS, C.

Fabaceae

Anagyris foetida L. - P - Me; Sf: MK, AS, C.
Anthyllis hermanniae L. - C - Me; Sf: MK, AS, C.
Anthyllis vulneraria subsp. *rubriflora* (DC.) Arcang. - H - Me; Sf: MK as *Anthyllis vulneraria* L. var. *dillenii* Schult., AS, C; Kt: RB, AS.
Astragalus boeticus L. - T - Me; Sf: AS.

Astragalus echinatus Murray - T - Me; Sf: AS.
Astragalus hamosus L. - T - MS; Sf: MK, AS.
Astragalus pelecinus (L.) Barneby - T - Me; Sf: AS.
Astragalus sinaicus Boiss. - T - EM; Sf: AS.
Astragalus spruneri Boiss. - H - Bk; Sf: AS, C; Kt: RB, AS.
Bituminaria bituminosa (L.) C.H. Stirt. - H - ME; Sf: MK as *Psoralea bituminosa* L., AS, C.
Calicotome villosa (Poir.) Link - P - Me; Sf: MK as *Calycotome villosa* (Vahl) Link, CA, AS, C.
Cicer arietinum L. - T - SW-As.; Sf: MK, AS.
Coronilla scorpioides (L.) W.D.J. Koch - T - ME; Sf: MK as *Coronilla scorpioides* Koch, AS.
Genista acanthoclada DC. - C - EM; Sf: MK, AS, C.
Hippocrepis biflora Spreng. - T - EA; Sf: AS.
Hippocrepis ciliata Willd. - T - Me; Sf: AS.
Hymenocarpus circinnatus (L.) Savi - T - Me; Sf: MK as *Hymenocarpus circinnatus* Savi, AS.
Lathyrus annuus L. - T - MS; Sf: AS.
Lathyrus aphaca L. - T - MS; Sf: MK, AS.

Fagaceae

Quercus coccifera L. - P - Me; Sf: MK, AS.

Frankeniaceae

Frankenia hirsuta L. - C - MS; Kt: RB, AS.
Frankenia pulverulenta L. - T - MS; Sf: AS; Kt: RB, AS.

Fumariaceae

Fumaria bastardii Boreau - T - MA; Sf: AS.
Fumaria densiflora DC. - T - ME; Sf: AS.
Fumaria judaica Boiss. - T - EM; Sf: AS, C.
Fumaria macrocarpa Parl. - T - Me; Sf: MK, AS.
Fumaria officinalis L. - T - Pt; Sf: MK, AS, C.
Hypecoum imberbe Sm. - T - Me; Sf: MK as *Hypecoum grandiflorum* Benth., AS.
Hypecoum procumbens L. subsp. *procumbens* - T - Me; Sf: AS.

Gentianaceae

Blackstonia perfoliata (L.) Huds. - T - ME; Sf: AS.
Centaurium maritimum (L.) Fritsch - T - Me; Sf: MK as *Erythraea maritima* L., AS.
Centaurium pulchellum (Sw.) Druce - T - EA; Sf: AS.
Centaurium tenuiflorum (Hoffmanns. & Link) Fritsch - T - ME; Sf: AS.
Schenkia spicata (L.) G. Mans. - T - MS; Sf: AS.

Geraniaceae

Erodium botrys (Cav.) Bertol. - T - Me; Sf: AS.
Erodium chium (L.) Willd. - T - Me; Sf: AS.
Erodium ciconium (L.) L'Hér. - T - EA; Sf: MK as *Erodium ciconium* Willd., AS.

Erodium cicutarium (L.) L'Hér. - T - Ct; Sf: AS; Kt: RB, AS.
Erodium gruinum (L.) L'Hér. - T - EM; Sf: MK as *Erodium gruinum* Ait., AS, C.
Erodium laciniatum (Cav.) Willd. - T - Me; Sf: AS.
Erodium malacoides (L.) L'Hér. - T - MS; Sf: MK as *Erodium malacoides* Willd., AS, C.
Erodium moschatum (L.) L'Hér. - T - EA; Sf: AS.
Geranium columbinum L. - T - EA; Sf: AS.
Geranium lucidum L. - T - EA; Sf: MK, AS.
Geranium molle L. - T - Pt; Sf: MK, AS.
Geranium purpureum Vill. - T - Me; Sf: MK, AS.
Geranium rotundifolium L. - T - Pt; Sf: AS.

Hyacinthaceae

Drimia numidica (Jord. & Fourr.) J.C. Manning & Goldblatt - G - EM; Sf: MK as *Urginea maritima* (L.) Baker, AC, AS as *Drimia maritima*, C.
Muscari commutatum Guss. - G - BI; Sf: MK, AS, C; Kt: R, AS.
Muscari comosum (L.) Mill. - G - ME; Sf: AS, C; Kt: RB, AS.
Muscari cycladicum Guss. - G - Endemic; Sf: AS.
Muscari pulchellum subsp. *clepsydroides* Karlén - G - Endemic; Sf: AS.
Muscari weissii Freyn - G - EM; Sf: AS; Kt: RB, AS.
Ornithogalum arabicum L. - G - Me; Sf: MK, AS.
Ornithogalum divergens Boreau - G - ME; Sf: AS as *Ornithogalum umbellatum* L., s.lat.
Ornithogalum narbonense L. - G - Me; Sf: MK, AS.
Ornithogalum pannonicum Vill. - G - EA; Sf: AS.
Prospero autumnale (L.) Speta L. - G - Me; Sf: AS as *Scilla autumnalis* L.

Hypericaceae

Hypericum empetrifolium Willd. - C - EM; Sf: AS.
Hypericum triquetrifolium Turra - G - MS; Sf: MK as *Hypericum crispum* L., AS, C.

Iridaceae

Crocus laevigatus Bory & Chaub. - G - Endemic; Sf: AS.
Crocus tournefortii J. Gay - G - Endemic; Sf: AS, C.
Gladiolus italicus Mill. - G - MS; Sf: AS.
Iris tuberosa L. - G - Me; Sf: BT.
Moraea sisyrinchium (L.) Ker-Gawl. - G - Me; Sf: MK as *Gynandris sisyrinchium* (L.) Parl., AS, C.
Romulea bulbocodium (L.) Sebast. & Mauri - G - Me; Sf: BT.
Romulea linaresii Parl. - G - Me; Sf: BT.

Juncaceae

Juncus bufonius L. - T - Co; Sf: AS.
Juncus capitatus Weigel - T - MA; Sf: AS.
Juncus heldreichianus T. Marsson ex Parl. - H - EM; Sf: AS.
Juncus hybridus Brot. - T - MA; Sf: AS.
Juncus maritimus Lam. - G - ME; Sf: MK, AS.
Juncus minutulus (Albert & Jahand.) Prain - T - EA; Sf: AS.

Lamiaceae

Acinos graveolens (M. Bieb.) Link - T - Me; Sf: AS.
Ajuga iva (L.) Schreb. - H - Me; Sf: AS, C.
Ballota acetabulosa (L.) Benth. - C - BA; Sf: MK, AS, C.
Lamium amplexicaule L. - T - Pt; Sf: MK, AC, AS, C.
Lamium moschatum Mill. - T - EM; Sf: C*.
Lavandula stoechas L. - P - Me; Sf: AS.
Marrubium vulgare L. - H - EA; Sf: MK, AS.
(*Melissa officinalis* L.)
Mentha longifolia (L.) Huds. - H - Pt; Sf: AS, C.
Mentha pulegium L. - H - Me; Sf: MK as *Mentha pulegium* L. var. *tomentella* Hoffmanns. & Link, AS.
Mentha spicata L. - H - EA; Sf: AS.
Micromeria juliana (L.) Benth. ex Rchb. - C - Me; Sf: MK as *Micromeria juliana* L., AS.
Micromeria nervosa (Desf.) Benth. - C - Me; Sf: AS, C.
Nepeta melissifolia Lam. - H - Endemic; Sf: AS, C.
Origanum onites L. - C - Me; Sf: MK, AS, C.
Phlomis fruticosa L. - P - Me; Sf: MK, AC, AS, C.
Prasium majus L. - P - Me; Sf: MK, AS, C; Kt: RB, AS.
Rosmarinus officinalis L. - P - Me; Sf: AS.
Salvia fruticosa Mill. - P - EM; Sf: MK as *Salvia triloba* L., AC, AS, C.
Salvia verbenaca L. - H - MA; Sf: MK, AS.
Salvia viridis L. - T - Me; Sf: MK, AS.
Satureja thymbra L. - C - Me; Sf: MK, AC, AS, C.
Sideritis curvidens Stapf - T - EM; Sf: MK as *Sideritis romana* L., AS, C.
Sideritis lanata L. - T - BA; Sf: AS.
Stachys arvensis (L.) L. - T - ME; Sf: AS.
Teucrium brevifolium Schreb. - C - Me; Sf: AS, C.
Teucrium capitatum L. - C - Me; Sf: MK, AS both as *Teucrium polium* L., C; Kt: C*.
Teucrium divaricatum Heldr. - C - EM; Sf: MK as *Teucrium divaricatum* Sieb. *typicum*, AS.
Teucrium microphyllum - C - EM; Sf: AS, C.
Thymbra capitata (L.) Cav. - C - Me; Sf: AC, C.

Liliaceae

Gagea graeca (L.) Irmisch - G - BA; Sf: MK as *Lloydia graeca* (L.) Kunth., AS, C; Kt: RB, AS.
Gagea pseudopeduncularis J.-M. Tison - G - Endemic; Sf: C*.
Gagea rigida Boiss. & Spruner - G - EM; Sf: AS, C.

Linaceae

Linum bienne Mill. - T - Me; Sf: AS.
Linum strictum L. - T - Me; Sf: MK, AS.
Linum trigynum L. - T - Me; Sf: AS.

Lythraceae

Lythrum borysthenticum (Schrank) Litv. - T - ME; Sf: AS.
Lythrum hyssopifolia L. - T - EA; Sf: AS.

Malvaceae

Malva aegyptia L. - T - MS; Sf: AS, C.
Malva arborea (L.) Webb & Berthel. - P - Me; Sf: AS.
Malva cretica Cav. subsp. *cretica* - T - Me; Sf: AS.
Malva multiflora (Cav.) Soldano & al. - T - Me; Sf: AS.
Malva parviflora L. - T - MS; Sf: AS.
Malva sylvestris L. - T - EA; Sf: MK, AC, AS, C.
Malva unguiculata (Desf.) Alef. - P - EM; Sf: AS.

Moraceae

Ficus carica L. - P - MS; Sf: AC, AS, C.

Myrtaceae

Myrtus communis L. - P - Me; Sf: MK, AS.

Malakates reports the abundance of this species for the island but currently is very rare.

Oleaceae

Olea europaea L. - P - Me; Sf: RSN, MK both as *Olea europaea* subsp. *oleaster* (Hoffmg. & Lk) Fiori, AS, C; Kt: C.

[*Olea europaea* L. var. *sativa* H. et L.]

Onagraceae

Epilobium parviflorum Schreb. - H - Pt; Sf: AS.

Ophioglossaceae

Ophioglossum lusitanicum L. - G - MA; Sf: BT.

Orchidaceae

Anacamptis collina (Russell) R.M. Bateman & al. - G - MS; Sf: AS.

Anacamptis coriophora (L.) R.M. Bateman & al. - G - EA; Sf: AS.

Anacamptis papilionacea (L.) R.M. Bateman & al. - G - MS; Sf: AS.

Anacamptis pyramidalis (L.) Rich. - G - Eu; Sf: AS, C; Kt: RB, AS.

Anacamptis sancta (L.) R.M. Bateman, Pridgeon & M. W. Chase - G - EM; Sf: AS.

Neotinea maculata (Desf.) Stearn - G - Me; Sf: AS.

Ophrys bombyliflora Link - G - Me; Sf: AS.

Ophrys ferrum-equinum Desf. - G - BA; Sf: AS, C.

Ophrys fusca Link - Me - G; Kt: RB, AS.

Taxon also present in Malakates' checklist but identified only on specific level.

Ophrys fusca subsp. *cinereophila* (Paulus & Gack) Faurh. - G - EM; Sf: AS.

Ophrys fusca subsp. *iricolor* (Desf.) K. Richt. - G - Me; Sf: AS, C.

Ophrys holoserica subsp. *andria* (P. Delforge) Faurh. - G - Endemic; Sf: AS as *Ophrys fuciflora* subsp. *andria* (Delforge) Faurh.

Ophrys lutea Cav. - Me - G; Kt: RB, AS.

Ophrys lutea subsp. *galilaea* (H. Fleischm. & Bornm.) Soó - G - Me; Sf: AS, C.

Ophrys lutea Cav. subsp. *lutea* - G - Me; Sf: AS, C.

Ophrys omegaifera subsp. *israelitica* (H. Baumann & Künkele) G. Morschek & K. Morschek - G - EM; Sf: AS.

Ophrys reinholdii H. Fleischm. - G - EM; Sf: AS.

Ophrys scolopax subsp. *heldreichii* (Schltr.) E. Nelson - G - EM; Sf: AS, C.

Ophrys sphegodes subsp. *gortynia* H. Baumann & Künkele - G - Endemic; Sf: AS.

Ophrys sphegodes subsp. *mammosa* (Desf.) E. Nelson - G - ME; Sf: AS.

Ophrys sphegodes subsp. *spruneri* (Nyman) E. Nelson - G - EM; Sf: AS.

Ophrys tenthredinifera Willd. - G - Me; Sf: MK, AS.

Orchis anatolica Boiss. - G - EM; Sf: AS, C.

Serapias bergonii E.G. Camus - G - EM; Sf: AS.

Serapias orientalis (Greuter) H. Baumann & Künkele - G - Me; Sf: AS.

Orobanchaceae

Bellardia latifolia (L.) Cuatrec. - T - MS; Sf: AS, C; Kt: RB, AS.

Bellardia trixago (L.) All. - T - MS; Sf: MK as *Bellardia trixago* All., AS, C.

Orobanche alba Willd. - G - EA; Sf: AS, C.

Orobanche crenata Forssk. - T - ME; Sf: AS, C.

Orobanche pubescens d'Urv. - T - Me; Sf: AS, C.

Phelipanche mutelii (F.W. Schultz) Pomel - T - Pt; Sf: MK as *Orobanche muteli* Schultz., AS, C.

Oxalidaceae

Oxalis corniculata L. - H - Pt; Sf: C*.

Taxon observed in Apollonia and Pano Petali.

Oxalis pes-caprae L. - G - S-Afr; Sf: MK as *Oxalis cernua* Thumb., AS, C.

Papaveraceae

Glaucium flavum Crantz - H - ME; Sf: AS, C.

Papaver apulum Ten. - T - BI; Sf: MK, AS.

Papaver dubium L. - T - EA; Sf: AS, C.

Papaver hybridum L. - T - EA; Sf: AS.

Papaver lecoqii Lamotte - T - EA; Sf: AS as *Papaver dubium* subsp. *lecoqii* (Lamotte) Syme.

Papaver purpureomarginatum Kadereit - T - EM; Sf: AS, C.

Papaver rhoeas L. - T - Pt; Sf: MK, AS, C.

Roemeria hybrida (L.) DC. subsp. *hybrida* - T - MS; Sf: AS.

Plantaginaceae

Plantago afra L. - T - Me; Sf: MK as *Plantago psyllium* L., AS; Kt: RB, AS.

Plantago albicans L. - H - Me; Sf: MK, AS.

Plantago bellardii subsp. *deflexa* (Pilg.) Rech. f. - T - Me; Sf: AS; Kt: H, AS.

Plantago cretica L. - T - EM; Sf: AS, C.

Plantago lagopus L. - T - Me; Sf: MK, AS.

Plantago lanceolata L. - T - Co; Sf: MK, AS.

Plantago weldenii Rchb. - T - Me; Sf: MK as *Plantago coronopus* L. and *Plantago coronopus* L. var. *integrata* Gren. & Godr., AS as *Plantago coronopus* subsp. *weldenii* (Rchb.) Arcang.

Plantago major subsp. *intermedia* (Gilib.) Lange - H - EA; Sf: MK as *Plantago majus* var. *asiatica* Fr., BT.

It is likely that Malakates' reference to *P. majus* var. *asiatica* Fr. is referable to *P. major* subsp. *intermedia* (Gilib.) Lange, later rediscovered by Biel.

Platanaceae

Platanus orientalis L. - P - EM; Sf: AS.

Plumbaginaceae

Limonium aegaeum Erben & Brullo - C - Endemic; Sf: EB, C.

Limonium aucheri (Girard) Greuter & Burdet - C - EM; Sf: C*.
Limonium ocymifolium (Poir.) Kuntze - C - Endemic; Sf: HD, HL, MK all as *Statice ocymifolia* Poir., AS, EB, C.
Limonium oligotrichum Erben & Brullo - C - Endemic; Sf: C*.
Limonium proliferum (d'Urv.) Erben & Brullo - C - Endemic; Sf: EB, C; Kt: C*.
Limonium roridum (Sm.) Brullo & Guarino - C - Endemic; Kt: RB.
Limonium sinuatum (L.) Mill. - H - Me; Sf: MK as *Statice sinuata* L., AS, EB, C.
Limonium sitiacum Rech. f. - C - Endemic; Sf: C*.
Limonium virgatum (Willd.) Fourr. - C - Me; Sf: AS, EB.

Poaceae

Achnatherum bromoides (L.) P. Beauv. - H - Me; Sf: MK as *Aristella bromoides* Bertol., RSN as *Stipa bromoides* (L.) Brand, AS.
Aegilops biuncialis Vis. subsp. *biuncialis* - T - MS; Sf: MK as *Aegilops ovata* L. var. *biuncialis* Vis., AS.
Aegilops comosa Sm. subsp. *comosa* - T - EM; Sf: RSN, AS.
Aegilops markgrafi (Greuter) K. Hammer - T - EM; Sf: AS.
Aegilops peregrina (Hack.) Maire & Weiller - T - EM; Sf: AS.
Agrostis stolonifera L. - H - ES; Sf: AS.
Aira elegans Roem. & Schult. - T - MS; Sf: MK as *Aira capillaris* Host., AS; Kt: RB, AS.
Andropogon distachyos L. - H - ST; Sf: MK, AS.
Anthoxanthum odoratum L. - H - Co; Sf: AS.
Arundo donax L. - G - Co; Sf: MK as *Arundo plinii* Turra, AC, AS, C.
Avellinia festucoides (Link) Valdés & H. Scholz - T - Me; Sf: AS.
Avena barbata Link subsp. *barbata* - T - Me; Sf: MK as *Avena barbata* Brot., AS.
Avena sterilis L. - T - MS; Sf: MK, AS.
Avena sterilis subsp. *ludoviciana* (Durieu) Gillet & Magne - T - MS; Sf: BT.
Brachypodium distachyon (L.) P. Beauv. - T - MS; Sf: MK as *Brachypodium distachyon* (L.) R. & Sch., AS; Kt: RB, AS.
Brachypodium retusum (Pers.) P. Beauv. - H - Me; Sf: AS.
Brachypodium sylvaticum (Huds.) P. Beauv. - H - Pt; Sf: AS.
Briza maxima L. - T - ST; Sf: MK, AS, C.
Bromus diandrus Roth - T - Me; Sf: AS.
Bromus fasciculatus C. Presl - T - Me; Sf: MK as *Bromus fasciculatus* C. Presl., AS; Kt: RB, AS.
Bromus intermedius Guss. - T - Me; Sf: MK, AS; Kt: RB, AS.
Bromus madritensis L. - T - MS; Sf: AS.
Bromus rigidus Roth - T - ST; Sf: AS.
Bromus rubens L. - T - MS; Sf: MK, AS.
Bromus scoparius L. - T - Me; Sf: AS.
Bromus tectorum L. - T - Pt; Sf: MK, AS.
Catapodium marinum (L.) C.E. Hubb. - T - MA; Sf: AS; Kt: RB, AS.
Catapodium rigidum (L.) C.E. Hubb. - T - Me; Sf: MK as *Scleropoa rigida* (L.) Griseb., AS.
Cutandia maritima (L.) Barbey - T - Me; Sf: AS.
Cynodon dactylon (L.) Pers. - G - Co; Sf: MK, AS.

Cynosurus echinatus L. - T - Me; Sf: MK, AS.
Cynosurus effusus Link - T - Me; Sf: MK as *Cynosurus elegans* Desf., AS.
(*Dactylis glomerata* L. reported by Malakates as *Dactylis glomerata* L. var. *typica*)
Dactylis glomerata subsp. *hispanica* (Roth) Nyman - H - Me; Sf: MK, AS.
Digitaria sanguinalis (L.) Scop. - T - Co; Sf: BT.
Echinaria capitata (L.) Desf. - T - Me; Sf: MK as *Echinaria capitata* Desf., AS; Kt: H, AS.
Elytrigia juncea (L.) Nevski - G - Me; Sf: AS.
Elytrigia sartorii (Boiss. & Heldr.) Holub - H - EM; Sf: AS.
Festuca jeanpertii (St.-Yves) Markgr. - H - BI; Sf: AS.
Gastridium ventricosum (Gouan) Schinz & Thell. - T - Me; Sf: MK as *Gastridium lentigerum* (L.) Gaud., AS.
Hordeum bulbosum L. - H - ST; Sf: AS.
(*Hordeum murinum* L.)
Hordeum murinum subsp. *leporinum* (Link) Arcang. - T - Me; Sf: AS.
Hordeum vulgare subsp. *spontaneum* (K. Koch) Thell. - T - MS; Sf: AS.
Hyparrhenia hirta (L.) Stapf - H - ST; Sf: MK as *Andropogon hirtum* L., AS.
Lagurus ovatus L. - T - Me; Sf: MK, AS.
Lamarckia aurea (L.) Moench - T - MS; Sf: MK as *Lamarckia aurea* Moench, AS.
Lolium multiflorum Lam. - T - MS; Sf: AS.
Lolium perenne L. - H - ES; Sf: MK as *Lolium perenne* L. and *Lolium perenne* L. var. *tenue* Schrad., AS.
Lolium rigidum subsp. *lepturoides* Sennen & Mauricio - T - Me; Sf: AS.
Lolium rigidum Gaudin subsp. *rigidum* - T - ST; Sf: MK, AS.
Lolium temulentum L. - T - Co; Sf: MK as *Lolium temulentum* L. var. *typicum*, AS.
Melica minuta L. - H - Me; Sf: MK, AS.
Parapholis incurva (L.) C.E. Hubb. - T - MA; Sf: AS.
Parapholis marginata Runemark - T - Me; Kt: RB, AS.
Phalaris aquatica L. - H - Me; Sf: AS.
Phalaris canariensis L. - T - ME; Sf: AS.
Phalaris minor Retz. - T - ST; Sf: MK, AS.
Phleum exaratum Griseb. - T - EM; Sf: MK as *Phleum graecum* Boiss. & Heldr., AS.
Phragmites australis (Cav.) Steud. - H - Co; Sf: MK as *Phragmites communis* Trin., AS.
Piptatherum coerulescens (Desf.) P. Beauv. - H - Me; Sf: AS.
Piptatherum miliaceum (L.) Coss. subsp. *miliaceum* - H - Me; Sf: MK as *Oryzopsis miliacea* Asch. & Sch., AS as *Oloptum miliaceum* (L.) Röser & Hamasha, BT.
Piptatherum miliaceum subsp. *thomasi* (Duby) Freitag - H - Me; Sf: BT.
Poa bulbosa L. - H - Pt; Sf: MK as *Poa bulbosa* var. *vivipara*, AS, C.
Poa infirma Kunth - T - Me; Sf: AS.
Polypogon maritimus Willd. - T - Me; Sf: AS.
Polypogon monspeliensis (L.) Desf. - T - ST; Sf: AS.
Polypogon viridis (Gouan) Breistr. - H - MS; Sf: AS.
Psilurus incurvus (Gouan) Schinz & Thell. - T - Me; Sf: AS; Kt: RB, AS.
Rostraria cristata (L.) Tzvelev - T - Co; Sf: MK as *Koeleria phleoides* Pers., AS; Kt: RB, AS.

(*Schismus arabicus* Nees)

Setaria adhaerens (Forssk.) Chiov. - T - Ct; Sf: AS.

Setaria verticillata (L.) P. Beauv. - T - Ct; Sf: MK as *Setaria verticillata* L., BT.

Setaria viridis (L.) P. Beauv. - T - Co; Sf: AS.

Sorghum halepense (L.) Pers. - G - Co; Sf: AS.

Stipa capensis Thunb. - T - Me; Sf: AS.

Stipa holosericea Trin. - H - MS; Sf: AS.

Taeniatherum caput-medusae (L.) Nevski - T - MS; Sf: AS.

Triplachne nitens (Guss.) Link - T - Me; Sf: AS.

Vulpia ciliata Dumort. - T - MS; Sf: MK as *Vulpia ciliata* Link, AS.

Vulpia fasciculata (Forssk.) Fritsch - T - Me; Sf: AS.

Vulpia muralis (Kunth) Nees - T - Me; Sf: AS; Kt: RB, AS.

Vulpia myuros (L.) C.C. Gmel. - T - Me; Sf: AS.

Polygalaceae

Polygala monspeliaca L. - T - Me; Sf: AS; Kt: RB, AS.

Polygala venulosa Sm. - H - EM; Sf: AS, C.

Polygonaceae

Emex spinosa (L.) Campd. - T - Me; Sf: AS.

Polygonum maritimum L. - H - ME; Sf: AS.

Rumex bucephalophorus subsp. *aegaeus* Rech. f. - T - EM; Sf: MK as *Rumex bucephalophorus* L., AS, C.

Rumex conglomeratus Murray - H - EA; Sf: AS.

(*Rumex crispus* L.)

Rumex pulcher subsp. *anodontus* (Hauskn.) Rech. f. - H - Me; Sf: AS.

Rumex pulcher L. subsp. *pulcher* - H - MS; Sf: MK, AS.

Rumex pulcher subsp. *raulinii* (Boiss.) Rech. f. - H - EM; Sf: AS.

Rumex tuberosus subsp. *creticus* (Boiss.) Rech. f. - G - EM; Sf: MK as *Rumex tuberosus* L., AS, C.

(Portulacaceae)

(*Portulaca oleracea* aggr.)

Malakates also reports on the cultivation of a broad-leaved variety of *Portulaca* sp. in Sifnos (γλυστριδα = glistrida), so presumably it was abundant at the time.

Posidoniaceae

Posidonia oceanica (L.) Delile - A - Me; Sf: AS, C.

Primulaceae

Anagallis arvensis L. - T - Co; Sf: MK, AS, C; Kt: RB, AS.

(*Anagallis foemina* Mill. reported by Malaktes as *Anagallis coerulea* Schreb.)

Asterolinon linum-stellatum (L.) Duby - T - Me; Sf: AS; Kt: RB, AS.

Cyclamen graecum Link - G - EM; Sf: C, AS.

Cyclamen hederifolium Aiton - G - Me; Sf: MK as *Cyclamen neapolitanum* Ten., AS.

Samolus valerandi L. - H - Co; Sf: MK, AS, C.

Punicaceae

Punica granatum L. - P - SW-As.; Sf: AC, AS.

Ranunculaceae

Adonis microcarpa DC. - T - MS; Sf: AS.
Anemone coronaria L. - G - Me; Sf: MK, AS, C.
Anemone pavonina Lam. - G - Me; Sf: AS.
Clematis cirrhosa L. - P - Me; Sf: MK, AS.
Clematis flammula L. - P - MS; Sf: MK, AS, C.
Delphinium peregrinum L. - T - MS; Sf: AS, C.
Delphinium staphisagria L. - T - Me; Sf: AS.
Garidella nigellastrum L. - T - Me; Sf: AS.
Nigella damascena L. - T - Me; Sf: MK, AS, C.
Nigella degenii Vierh. subsp. *degenii* - T - Endemic; Sf: AS.
Nigella doerfleri Vierh. - T - Endemic; Sf: AS, C.
Ranunculus chius DC. - T - MS; Sf: AS.
Ranunculus creticus L. - H - EM; Sf: AS, C.
Ranunculus muricatus L. - T - MS; Sf: MK, AS.
Ranunculus paludosus Poir. - H - ME; Sf: AS; Kt: RB, AS.
Ranunculus peltatus subsp. *fucooides* (Freyn) Muñoz Garm. - A - Me; Sf: AS.
Ranunculus sprunerianus Boiss. - H - EM; Sf: MK, AS.

Resedaceae

Reseda alba L. - T - ME; Sf: MK, AS.
Reseda lutea L. - T - Pt; Sf: AS, C.

Rhamnaceae

Rhamnus alaternus L. - P - Me; Sf: C*.

Rhamnus alaternus, although with a very limited distribution (Chrysopigi), could be a relic of a previous Mediterranean maquis once present on Sifnos, being this taxon a typical element of the thermophilic evergreen scrub.

(*Rhamnus lycioides* subsp. *graeca* (Boiss. & Reut.) Tutin, reported by Malakates as *Rhamnus graeca* Boiss.)

Rhamnus lycioides subsp. *oleoides* (L.) Jahand. & Maire - P - Me; Sf: MK as *Rhamnus oleoides* L., AS, C; Kt: C*.

Rosaceae

[*Amygdalus communis* L.]

[*Amygdalus communis* L. var. *amara* DC.]

[*Amygdalus communis* L. var. *dulcis* DC.]

[*Armeniaca vulgaris* Lam.]

[*Pyrus communis* L.]

[*Prunus insistitia* L.]

Pyrus spinosa Forssk. - P - Me; Sf: MK as *Pyrus amygdaliformis* Will., AS, C.

Sanguisorba minor Scop. - H - EA; Sf: AS as *Sanguisorba minor* subsp. *balearica* (Nyman) Muñoz Garm. & C. Navarro.

Sanguisorba verrucosa (G. Don) Ces. - H - Me; Sf: AS.

Sarcopoterium spinosum (L.) Spach - C - EM; Sf: MK as *Poterium spinosum* L., AS, C.

Rubiaceae

Crucianella latifolia L. - T - ME; Sf: AS; Kt: RB, AS.

Galium aparine L. - T - EA; Sf: MK, AS, C.
Galium murale (L.) All. - T - Me; Sf: MK, AS.
Galium setaceum Lam. - T - Me; Sf: AS.
Galium tricornutum Dandy - T - EA; Sf: AS.
Rubia peregrina L. - P - MA; Sf: BT.
Rubia tinctorum L. - H - EA; Sf: BT.
Sherardia arvensis L. - T - EA; Sf: MK, AS, C; Kt: RB, AS.
Theligonum cynocrambe L. - T - Me; Sf: AS, C.
Valantia hispida L. - T - Me; Sf: MK, AS, C.
Valantia muralis L. - T - Me; Sf: MK, AS, C.

Ruppiaceae

Ruppia maritima L. - A - Co; Sf: BT.

Rutaceae

Ruta chalepensis L. subsp. *chalepensis* - C - Me; Sf: MK as *Ruta chalepensis* L. var. *bracteosa* DC., AS, C.

(Salicaceae)

(*Salix alba* L.)

[*Salix babylonica* L.]

Santalaceae

Thesium bergeri Zucc. - H - EM; Sf: AS.

Thesium humile Vahl - T - Me; Sf: MK, AS.

Saxifragaceae

Saxifraga carpetana subsp. *graeca* (Boiss. & Heldr.) D.A. Webb - H - Me; Sf: AS.

Saxifraga hederacea L. - T - EM; Sf: AS, C.

Scrophulariaceae

Scrophularia heterophylla Willd. - H - EM; Sf: AS, C.

Scrophularia lucida L. - H - Me; Sf: MK, AS.

Scrophularia peregrina L. - T - Me; Sf: MK, AS.

Verbascum sinuatum L. - H - MS; Sf: MK, AS, C.

Simaroubaceae

Ailanthus altissima (Mill.) Swingle - T - Co; Sf: C*.

Smilacaceae

Smilax aspera L. - P - Me; Sf: MK, AS, C.

Solanaceae

Datura inoxia Mill. - T - Am.; Sf: AS.

Datura stramonium L. - T - Co; Sf: AS.

Hyoscyamus albus L. - T - Me; Sf: MK, AS, C.

Mandragora officinarum L. - H - Me; Sf: AS.

Nicotiana glauca R.C. Graham - P - S-Am.; Sf: MK, AS, C.

Solanum decipiens Opiz - T - EA; Sf: BT as *Solanum nigrum* subsp. *schultesii* (Opiz) Wessely.

Solanum elaeagnifolium Cav. - H - S-Am.; Sf: BT, C.

Solanum nigrum L. - P - Co; Sf: MK, BT, AS.

Solanum rostratum Dunal - P - N-Am.; Sf: BT.

Solanum villosum Mill. - T - EA; Sf: BT as *Solanum luteum* Mill.

Tamaricaceae

(*Tamarix hampeana* Boiss. & Heldr.)

Tamarix parviflora DC. - P - MS; Sf: AS.

Thymelaeaceae

Thymelaea tartonraira subsp. *argentea* (Sm.) Holmboe - P - EM; Sf: MK as *Thymelaea tartonraira* All., AS, C.

Typhaceae

Typha domingensis Pers. - G - ST; Sf: AS, C.

Urticaceae

Parietaria cretica L. - T - EM; Sf: MK, AS, C; Kt: RB, AS, C.

Parietaria judaica L. - H - EA; Sf: MK as *Parietaria judaica* L. var. *lancifolia* Heldr., AS.

Parietaria lusitanica L. - T - ME; Sf: AS.

Urtica pilulifera L. - T - MS; Sf: MK, AS.

Urtica urens L. - T - Co; Sf: MK, AS.

Valerianaceae

Centranthus calcitrapae (L.) Dufur. - T - Me; Sf: AS, C; Kt: RB, AS.

Centranthus ruber (L.) DC. - H - Me; Sf: AS.

Fedia graciliflora Fisch. & C.A. Mey. - T - Me; Sf: AS.

Valerianella discoidea (L.) Loisel. - T - Me; Sf: MK as *Valerianella discoidea* L., AS, C; Kt: RB, AS.

(*Valerianella echinata* DC. reported by Malakates as *Valerianella echinata* (L.) DC.)

Valerianella hirsutissima Link - T - EM; Sf: AS.

Valerianella muricata (Roem. & Schult.) W.H. Baxter - T - MS; Sf: AS.

Valerianella vesicaria (L.) Moench - T - MS; Sf: AS.

Verbenaceae

Vitex agnus-castus L. - P - MS; Sf: MK, AS, C.

Veronicaceae

Antirrhinum majus L. - C - W-Med.; Sf: AS.

Cymbalaria longipes (Boiss. & Heldr.) A. Cheval. - H - EM; Sf: AS.

Cymbalaria muralis G. Gaertn., B. Mey. & Scherb. - H - SW-Eur.; Sf: AS, C.

Kickxia elatine subsp. *crinita* (Mabille) Greuter - T - Me; Sf: C*.

Linaria chalepensis (L.) Mill. - T - ME; Sf: AS.

Linaria micrantha (Cav.) Hoffmanns. & Link - T - MS; Sf: AS.

Linaria pelisseriana (L.) Mill. - T - MS; Sf: AS.

Linaria simplex Desf. - T - MS; Sf: AS.

Linaria triphylla (L.) Mill. - T - Me; Sf: MK as *Linaria triphylla* L., AS.

Misopates orontium (L.) Raf. - T - ME; Sf: AS, C; Kt: RB, AS.

Veronica anagallis-aquatica L. - T - Co; Sf: AS.

Veronica arvensis L. - T - EA; Kt: RB, AS.

Veronica cymbalaria Bodard - T - Me; Sf: MK, AS.

Veronica polita Fr. - T - EA; Sf: MK, AS.

(Zosteraceae)

(*Zostera marina* L.)

Zygophyllaceae

Tribulus terrestris L. - T - Co; Sf: AS.
